Airlines: US Airways Express
- Harrisburg International Airport, PA: approx. 45 minutes northwest
<http://www.padutch.com/z/hbgairport.htm>
Airlines: Continental, Delta, Northwest, United, US Airways
Ground Transportation from Harrisburg to Lancaster: Rental car; limo service available (but may be pricey)
- Philadelphia International Airport, PA: approx. 1½ hrs east
<http://www.padutch.com/z/phlairport.htm>
All major airlines
- Baltimore Washington International, MD: approx. 1½ hrs south
<http://www.padutch.com/z/bwiaairport.htm>
All major airlines

Train: Amtrak (www.amtrak.com)

Note: Since Lancaster is a bit of a drive from the nearest major airports (Philadelphia and Baltimore), you may find it cheaper to get a rental car, rather than airport shuttle service. The airport links above contain information about ground transportation options. If renting a car, you may wish to check out one of the discount travel sites, such as www.priceline.com, as well as the rental car companies' home sites.
